# IWLC WOMEN'S LEADERSHIP ENDOWED FRIENDS FUND

The **Women Lead Change Endowment Fund** is a long-term investment in the future of corporate women's leadership. This fund provides a stable, sustainable financial foundation, ensuring that Women Lead Change continues to develop, support, and advance women leaders for generations to come. By contributing today—or including Women Lead Change in your future giving plans—you are directly investing in the growth of women in corporate leadership and strengthening the workforce of tomorrow. Your support fuels leadership development, mentorship, and programming that empower women to rise, lead, and shape the future of business. **Our goal: to raise \$250,000 annually.** This investment will allow Women Lead Change to expand its reach, meet evolving challenges, and drive meaningful change in workplaces across Iowa and beyond. We can't predict the future, but we can shape it—together. Whether you give today or in the future, your generosity plays a critical role in creating a more equitable, thriving workforce. **Thank you for being part of this legacy of impact.**
